Entertaining Our Community

Music For Everyone

Engaging Our Community

Longbeach Ukes

Longbeach UKES Inc. (LUKES) is a friendly and vibrant not-for-profit based music club, featuring the ukulele.

LUKES is about having fun, singing your heart out, enjoying music, learning to play and master the ukulele and mixing with like-minded people from within the community.

We are based in the City of Kingston and our current home is the Carrum Activity Hub at 38 Valetta Street.

We are grateful to Kingston City Council for making this space available at a very reasonable rental cost for our meetings.

We meet every Tuesday evening from 7pm to 9pm and interested members of the public of any age are welcome to attend.

What do we do at LUKES?

Our group plays many different types of music that include about a century of favourites. These cover popular wartime songs, variety tunes, rock, pop, blues, folk and contemporary songs of the mid to late 20th Century. Our eclectic range of music is easy to play and great to sing along to.

We also have special theme evenings such as 60s, Elvis, Beatles, Celtic nights, Rock 'n Roll, Footy Songs, Christmas songs, Halloween, the Blues, Country and Western, Rock Legends and many more.

We have a wide repertoire with access to a library of more than a thousand songs. Our club has developed three main songbooks and a variety of themed books.

LUKES Entertainment Group

Longbeach Ukes has a sub-group of performers known as LEGS – the LUKES Entertainment Group. We perform at community events, aged retirement facilities, festivals, and the like.

Members perform without any personal reward, apart from the pleasure of entertaining audiences and playing together.

The size of our performing group is usually around ten people, but could be more or fewer, depending on your needs.

LUKES incurs regular overheads and we seek a reasonable donation to recover costs for our entertainment gigs. This is usually between \$150 and \$300 and is negotiated with each client.
